

Passover Lamb

Lyrics & Music by Stuart Dauermann
Lyrics by Sam Nadler

Pharaoh had us all enslaved, lab'ring in his land.
The Lord God heard our cry and freed us from his hand.

Chorus 1

And by the blood of the pure and spotless lamb
We're free, we are all set free.

Chorus 2

Passover lamb's blood upon the door.
Forming a mark* to seal us from death's jaw,
And by the blood of the pure and spotless lamb,
We're free, we are all set free.

Chorus 3

Alleluya, alleluia, God of Abraham / Isaac / Jacob / all of us
Thank you for the lamb.

God gave us Israel but we turned away.
God gave the Law to us but we disobeyed.
God gave His only son to come and set us free.
We're free, we are all set free.

Chorus 3 (Abraham)

Yes we all did turn away, of sin we were not free.
So we took a perfect lamb and nailed him to a tree.

Chorus 1, Chorus 3 (Isaac)

Three days he lay, then Yeshua did arise,
So all who will believe never have to die.

Chorus 1, Chorus 2, Chorus 3 (Jacob), Chorus 3 (all of us)
